**Message from President Brad Senter**

Shipmates, family members & friends,

It seems like we were just in San Antonio and now headed to Charleston. For those who have never been to Charleston, you're in for a real treat. The straw market, historical homes and of course Yorktown. It's been a good year for your association as for new members, but the taps list is growing longer and longer almost everyday. For a long time it was mostly CV-3 shipmates, unfortunately now it's mostly CVA/CV-60 shipmates. We're all getting old pretty fast now, but like my old pappy would say, "Live each day as if it's your last". See you in Charleston

**USS SARATOGA SCHOLARSHIP PROGRAM**

On behalf of the Scholarship Committee we are extremely pleased to announce that we have completed our second year of managing the program timeline and have completed all evaluations. The applications received exhibited highly competitive criteria and contained very well-expressed essays. We are excited to announce the winners of the USS Saratoga Scholarship for 2019 are:

**Hallie Kern, Grace Sweetak, Brendan Gill and Victoria Corriveau**

We elected to award 4 scholarship this year due to the extreme generosity of our shipmates' contributions. We want to express our deepest gratitude to each and every person who has made a donation to the Scholarship fund. THANK YOU. Please know that should you wish to donate to the Scholarship fund, which is a completely separate account from the Association's general account, you can make a tax-deductible donation by writing a check made payable to:

### Charleston Beckons...

Within this newsletter are the forms and information needed to reserve your spot for what may very well be an unforgettable reunion. As has been said many times, this year we are following a different schedule. We will gather on Thursday and have tours on Friday and Saturday. The business meeting, ladies' luncheon and banquet will be on Sunday. Yes it's different along with some other key differences: (1) Welcome dinner: New this year on Thursday night after a day of traveling, relax with your shipmates at a special dinner featuring 2 "low-country" recipes with a super casual, "come as you are" welcome dinner. Hey, you have to eat anyway, so save some steps and dine among friends. (2) Sunday morning devotional service: Our Chaplain, Lee Martin will be leading a non-denominational service at 0800 in the business meeting room. We encourage you to consider this moment of peace as a fantastic way to clear your head start the day. (3) Free Breakfast Buffett: this is not exactly 'new', but it is a welcomed savings for registered attendees. (4) There are 2-phase tour options for both the City Tour on Friday and the Patriot's Point Tour on Saturday that includes a boat excursion experience that will get you back on the water. (5) Tons of local shopping. We happen to be located across the road from the Tanger Outlet Mall. Also, within a short drive from the hotel is Riverfront Park located in the former Charleston Naval Base. If you go there on your own be sure to check out the "Lone Sailor" statue.

A lot of people have been working on this reunion to make it memorable - it is the Association's sincere hope we set a record for attendance and give our shipmates an experience to remember.

### See YOU in Charleston!

#### Chaplain's Corner

All of us, I am sure, can go back into our memories of enjoyable happenings and recall a time when we found ourselves looking into the glow of a crackling fire. As the fire continues to slowly consume the wood, embers appear and each gives a beautiful glow. If an ember was removed from its place in the fire, it retained its beautiful appearance. But, only for a brief time. Slowly, the ember begins to cool. Its vibrant glow becomes more and more dim. Finally, all of the glow and warmth it had while being fed by the fire goes out. Only the burnt out cinder-like remnant remains.

The image of the ember is a reminder of what the Lord said in Revelation 2:2-5 to the Church in Ephesus:

"I know your works, your toil and your patient endurance, and how you cannot bear with those who are evil, but have tested those who call themselves apostles and are not, and found them to be false. I know you are enduring patiently and bearing up for my name's sake, and you have not grown weary. But I have this against you that you have abandoned the love you had at first. Remember therefore from where you have fallen; repent, and do the works you did at first. If not, I will come to you and remove your lampstand from its place, unless you repent."

One way to interpret this text is to see the Church in Ephesus (located in modern Turkey) as a church that lost its early love for the Lord Jesus. This was evidenced by the cooling of their fervor in mission. Another consideration is that the believing Christians in the church there had grown cold, like a burned out ember, in demonstrating love and compassion towards one another and the works they performed on behalf of those in their geographical community.

Whatever view one takes on this, it appears that they had lost their early love for the Lord which would bring consequences upon them if they did not repent and return to the Lord and resume doing the works they had done at first.

In the description of the glowing embers in the fire, the ember retained its glow and gave off its warmth so long as it remained connected to its source of energy. Once it was removed, it began to cool and eventually its heat and light burned out.

When does a Christian begin the slow, dimming, cooling journey of spiritual decline? When the individual detaches from the Source of one's spiritual fervor: the Lord Jesus Christ. The loss of that early love for the Lord is like the ember detached from its source and then follows the gradual cooling, and dimming of its light and heat until it is burned out.

Fortunately for the spiritually detached individual whose early love in following Christ has dimmed like a cooling ember, the Lord today is beckoning, and urging the individual to return to Him. By doing so, the person receives forgiveness, and is re-attached to Christ, the Source of one's spiritual power, comfort, fervor and love. For the one who returns to Christ, Jesus has this encouragement:

"The one who conquers I will grant to eat of the tree of life, which is in the paradise of God." (Rev. 2:7).

Amen.

**Hello shipmates!** My name is Phil Rasnick. My wife Barbara and I live in Knoxville, TN. I served on the USS Saratoga from the spring of 1973 (after she returned from Vietnam) until the fall of 1974 when I was released from active duty just before she left Mayport for the 1974/1975 Med cruise. Prior to my time on the Saratoga, I was assigned to the USS Independence (who came out of Portsmouth just before the Sara pulled in). So yes, I got my fill of the dry-dock experience, standing fire watches while welding repairs were done – at night, experiencing berthing compartments with almost no heat during the winter months, the fire on the O-3 level and the captain's office area, Guantanamo Bay, and all the other experiences during that time. After we got underway, I think my favorite time was spent in the Caribbean laying in the nets surrounding the flight deck at night and watching the skies with those warm breezes blowing by. By the way, I worked in the ship's Personnel Office, so if you were on the ship during that time – and especially if you separated from service during that 18-month period, we had a good chance of meeting. If so, I hope we can get reacquainted. Enough about me, let's talk about why I'm writing in this edition of our newsletter.

I recently accepted the responsibility for managing the Ship's Store for the Association. Seems they were having trouble finding someone to perform this role and I volunteered to help for a year or two. I look forward to meeting and working with you as you look for USS Saratoga merchandise.

As you probably know, the Ship's Store has been inactive since sometime last fall. I'm working on the inventory and getting things reorganized now with a plan to have the website back up and functioning by July 1. I really hope earlier, but I'm still picking up items from the various storage locations and trying to confirm what we really have available for you. I can tell you we still have a small supply of the various souvenirs from the ship for sale. Things like 3" x 5" pieces of conduit, 2" x 1/4" "coins" cut from ship's metal, 3" x 5" pieces of bulkhead, (all of these are rough but the "coins" and the pieces of bulkhead do have stamping on them). The nicest item is a 5" circle of clear lucite with a piece of the ship's steel imbedded inside. We have quite a few of these and they'd make a great piece to lay on the desk or mantel.

If you know an item that you'd like to purchase before we get the website up – or anytime, please feel free to give me a call or email me and I'll do my best to help you with your purchase. My phone number is (865) 253-7324. The email address that I'll use for this purpose is [philrasnick@gmail.com](mailto:philrasnick@gmail.com). Again, I look forward to getting to know you and helping you with any Ship's Store needs you may have. Hope to see you in Charleston, SC in October!

# USS SARATOGA 2019 REUNION

## Charleston, SC | October 10-14, 2019

### Welcome to Charleston

Rated one of America's top five most popular cities, Charleston is America's most beautifully preserved architectural and historic treasure, with a rich 300-year history. Described as a "living museum", the city boasts beautiful homes, tree lined cobblestone streets, and many formal gardens. The USS Saratoga Reunion will provide many opportunities to experience all this historic city has to offer. Reunion tours may include an historic Charleston city tour, a harbor cruise, the maritime museum at *Patriots Point* and a cruise to historic *Fort Sumter*, where the Civil War began. Don't miss this chance to visit the most popular tourist city in the country.

### Hotel Information

The reunion is officially scheduled from Thursday, October 10 through Monday, October 14. You will be staying at the AAA Four Diamond boutique style hotel *Crowne Plaza Charleston*, located at 4831 Tanger Outlet Blvd., North Charleston, SC 29418. The hotel is conveniently located across from the huge, *Tanger Outlet Mall* and near several restaurants. The hotel rate is **\$130** plus tax per night and **includes a hot breakfast buffet**. For those of you who choose to arrive early or stay after the reunion ends, the same room rate will be available for three days prior and three days after, based on availability. To reserve your room please call the Crowne Plaza Charleston directly at **843-744-4422**. (Mon-Fri from 9-4) When calling the hotel, please make sure you tell them you are attending the USS Saratoga Reunion, **Group Code: SAR**. It is always best to make your reservation directly with the hotel and not a central hotel-chain call center. MRP has negotiated numerous amenities for you that the call centers may not be aware of. Note: only those booking under the reunion group code are eligible for amenities like free breakfast, reduced parking, internet, etc. Booking through another channel like Expedia disqualifies you from these amenities.

We anticipate a sell out at the Crowne Plaza so book early. We have arranged overflow rooms at the same rate at the *Fairfield Inn & Suites* next door. If you prefer to stay at the Fairfield call the hotel at 843-300-3100. The Fairfield also offers a more limited free breakfast.

Hotel check-in is 4:00 p.m. Please do not expect to get into your room before then. You may cancel your hotel room up to 48 hours prior to arrival without penalty. The hotel does require a deposit or credit card number to guarantee your room reservation. Please note, the hotel reservation cut-off date is **September 10, 2019**, thereafter, reservations will be taken on a space-available basis only.

### Airport Transportation & Parking

If you are flying to the reunion, the Crowne Plaza Hotel offers complimentary shuttle service from the Charleston Airport (CHS). Upon arrival at the airport, call using the free courtesy phone in the baggage claim area. For those of you driving the hotel offers plenty of free parking. Call the hotel for driving directions.

Travel safely and we will .... **See YOU in Charleston!**

## CHARLESTON HISTORIC TOUR & MARKET SQUARE

Friday, October 11 (9:00am-5:00pm)

Sit back and enjoy the beauty and charm of one of America’s most historic cities as your guide brings to life the history of this 300 year old city with stories of the American Revolution and the “War between the States”. Sights on your tour include Rainbow Row, the Four Corners of Law, and many of the 18<sup>th</sup> and 19<sup>th</sup> century homes, buildings and churches of Charleston. There’ll be time to explore the Charleston City Market & have lunch on your own. You may opt to stay downtown for dinner and return on your own via public bus.

### OPTIONAL ADD-ON: HARBOR SIGHTSEEING CRUISE

Learn about Charleston’s fascinating history while you cruise the gentle waves of her harbor on our 90-minute, narrated, cruise. Highlights include American landmarks, such as Fort Sumter, the aircraft carrier USS Yorktown, Battery Point, Rainbow Row, Cooper River Bridge, and other sites from the past and present. Facilities are available on board but the boat is not particularly accessible with stairs possible, so consider any limitations. **Tour must be purchased with the Charleston tour above.**

## PATRIOTS POINT WITH LUNCH ON USS YORKTOWN

Saturday, October 12 (9:30am-4:30pm)

You will spend the day visiting the world’s largest naval and maritime museum. You’ll have time to visit the submarine *USS Clamagore*, and the *USS Laffey*, along with visits to the Vietnam Support base and the Cold War Memorial. A catered lunch will be served on the USS Yorktown.
